**EARTH, Undisclosed Location** — Based on breaking news and events, it appears that [CIA Headquarters located beneath CERN at Lake Geneva](#) in Switzerland will stage a [Smallpox](#) attack and/or Smallpox outbreak, nuclear terror attacks and/or World War III by the date of August 31, 2020.

The impending Earth-changing event is specifically designed to: a) politically resurrect one Barack Hussein Obama in the aftermath of a military coup and/or National Emergency, b) spawn a global Smallpox pandemic designed to cull billions via tainted Smallpox vaccines, and/or c) active Area 51's top-secret terminator drone program.

As originally depicted in '[Obama 666: Will America's First Dictator Please Stand Up?](#)' (2016), Obama is the chosen leader (i.e., puppet) who will shepherd the World through what is Biblically known as the [Great Tribulation](#) during which billions of people on Earth will perish during the so-called [End Time](#).

However, since Obama was unceremoniously removed from power back on January 20, 2017, the [CIA has been desperately trying to stage an Obama coup d'état in America](#) so that he is in a position of power when a global [Smallpox](#) pandemic ensues, nuclear bombs detonate and/or World War III commences.

Since a military coup targeting Trump has thus far been unsuccessful, the CIA has now been forced to resort to Plan B which evidently entails staging said Earth-changing event specifically to trigger a National Emergency and/or a Trump Dissolution of Presidency Event (DOPE) designed to politically resurrect the would-be global dictator Obama.

As originally depicted in the '[Bio-Terror Bible](#)' (2012), the CIA has concocted a most nefarious plot to stage a [Smallpox](#) attack/outbreak and subsequent global Smallpox pandemic during which billions of tainted Smallpox vaccines will be distributed around the World via mail, killing virtually all who take them.

In the event that the CIA does in-fact stage a [Smallpox](#) attack, it will most likely be scapegoated onto [ANTIFA](#), a domestic militia (e.g., the [Bundy Militia](#)), an Islamic terror group (e.g., [Al-Qaeda](#), [Al Shabbab](#), [Boko Haram](#), [Hezbollah](#), [ISIS](#), etc.), Neo-Nazis, and/or a nation state such as China, Iran, North Korea and/or Russia.

As originally depicted in the March 22, 2020, YouTube video entitled in-part, '[The Coronavirus Conspiracy: End of the Internet & Russian Chemical Attack Expected](#)', the purported symptoms of [COVID-19](#) coincidentally mimic those of [Novichok](#), a Russian Nerve Agent which is dispersed aerially in the form of a gas.

In respect to [COVID-19](#), an [infectious disease](#) caused by [severe acute respiratory syndrome coronavirus 2](#) (SARS-CoV-2), its alleged symptoms include but are not limited to: a) cough, b) shortness of breath, c) [acute respiratory distress syndrome](#) (ARDS), and d) [multi-organ failure](#).

In respect to the [Novichok](#) nerve agent, a [binary chemical weapon](#) developed by the [Soviet Union](#) and [Russia](#), its symptoms include but are not limited to: a) respiratory arrest, b) cardiac arrest, and c) death from heart failure or suffocation as copious fluid secretions fill the victim's lungs.

Consequently, it appears that the impending global [Smallpox](#) pandemic and nuclear terror attacks (and their inherent [nuclear fallout](#)) are designed to provide the CIA the scientific cover it needs to trigger Area 51's top-secret terminator drone program which has been tasked with the systematic genocide of humanity.

Said genocide will be executed via a never-ending swarm of autonomous drones armed with the aforementioned [Novichok](#) nerve agent. Consequently, billions of people around the World will think they have contracted COVID-19 when in reality they have been gassed by a lethal Russian nerve agent courtesy of Area 51.

Lastly, it is imperative to note that in the case of a global [Smallpox](#) pandemic, the aforementioned [Novichok](#) nerve agent will likely be mixed with a [Blister Agent](#) (e.g., [Sulfur Mustards](#), [Nitrogen Mustards](#), etc.) so that it appears that the victims have contracted the Smallpox virus which coincidentally features a full-body rash of blisters.

## I. ACTIVATION OF AREA 51

It appears that Area 51 is home to the automated [SKYNET](#) terminator drone program which will be activated in the aftermath of global [Smallpox](#) pandemic and/or nuclear terror attacks. Although only conjecture, it's highly likely that the top-secret military facility houses roughly 20,000 autonomous drones underground which are outfitted with refillable chemical tanks designed to carry thousands of gallons of [VX](#) or [Novickok](#) nerve agents designed to gas every single human on Earth—a global chemical Holocaust if you will. After dumping its respective chemical payload into the atmosphere, each drone will land back at Area 51 where it will be automatically refueled and reloaded with another chemical payload and sent along its merry way. This process will repeat to infinity until the Earth is animal and human-free and subsequently recreated during the impending Apocalypse. Lastly, in order to foreshadow the notion of an unstoppable drone swarm emanating from Area 51, the CIA spawned the '[Storm Area 51, They Can't Stop All of Us](#)' Facebook event back on September 20, 2019. Translation: Even if the respective militaries of the World are able to neutralize a large number of the Area 51 drones, there are too many to stop prior to the drones respective chemical payload taking effect. It's a race against time which the terminator drones are currently slated to win unless those at the CIA with the power to shut down Area 51 prior to its irreversible activation.

## II. THE SKYNET TERMINATOR PROGRAM

The notion that thousands of autonomous drones are slated to exterminate humanity is coincidentally featured in the plot of the blockbuster film entitled '[Terminator 2: Judgment Day](#)' (1991) which features [SKYNET](#), an artificial intelligence network which becomes autonomous after nuclear attacks on [Judgment Day](#). Considering that the Model 101 terminator drone brings itself back online using an alternative power source, it can be deduced that the Area 51 extermination program will continue unabated once termination sequence is initiated. In other words, Area 51 has a secret back-up power source which will ensure that the gassing of humanity is not interrupted under any circumstance. Coincidentally, back on May 20, 2012, I published a report entitled, '[2012 NATO Summit in Chicago Cover For NATO Implementation Of SKYNET Terminator Program](#)', which revealed that SKYNET — although billed as a fictional name for the terminator drone program in the [Terminator movie series](#) — is in fact a real-life NATO military program that appears to be nearing completion.

According to Wikipedia, '[SKYNET is a family of military satellites](#), now operated by Paradigm Secure Communications on behalf of the UK Ministry of Defence which provide strategic communication services to the three branches of the British Armed Forces and to NATO forces engaged on coalition tasks'. [SKYNET](#) is also the name of a program by the U.S. [National Security Agency](#) which coincidentally performs [machine learning](#) analysis on [communications data](#) to extract information about possible terror suspects. The notion that SKYNET drones will be responsible for the systematic genocide of humanity via their chemical fallout was foreshadowed by the video game entitled [Fallout 2](#) (1998) in which the artificial intelligence is named SKYNET. A Coincidence? Not a chance. Lastly, the notion that SKYNET is logistics cover for a real-life terminator drone program is corroborated by the fact that the SKYNET logo features a silhouette of the [McDonnell Douglas A-12 Avenger II](#) drone.

### III. ATTACK OF THE A-12 AVENGER II DRONES

Exactly what type of drones will be used in the systematic chemical genocide of humanity is not known, but the [McDonnell Douglas A-12 Avenger II](#) aircraft which was first developed by the United States Navy's Advanced Tactical Aircraft (ATA) program in 1983 is the most likely suspect for the following reasons:

**a) ALL WEATHER:** The [A-12 Avenger II](#) was developed as an all-weather aircraft which allows it to circumnavigate the globe in any weather condition, thereby enabling the systematic genocide of humanity to continue unabated regardless of weather conditions.

**b) STEALTH:** The [A-12 Avenger II](#) was developed as a [stealth aircraft](#) which will allow it to circumnavigate the globe undetected by military radar, thereby enabling it to carry out the systematic genocide of humanity unabated.

**c) CARRIER-BASED:** The [A-12 Avenger II](#) was developed as a [carrier-based aircraft](#) which suggests that it is equipped with: a) [CATOBAR](#) (Catapult Assisted Take-Off But Arrested Recovery), a system used for the launch and recovery of aircraft from the deck of an [aircraft carrier](#) or secret underground base, and b) [Autoland](#), a system that fully automates the landing procedure of an aircraft in all weather conditions.

**d) CO-DEVELOPED:** The [A-12 Avenger II](#) was originally developed in 1983 by both [McDonnell Douglas](#) and [General Dynamics](#) under a \$57 billion grant from the United States Navy via their Advanced Tactical Aircraft (ATA) division. Although only conjecture, it appears that one aerospace company developed the [A-12 Avenger II](#) while the other actually produced it, albeit in secret as the program was allegedly canceled in 1991.

**e) NO PROTOTYPE:** Since the [A-12 Avenger II](#) was first developed in 1983 by both [McDonnell Douglas](#) and [General Dynamics](#) and unceremoniously canceled 8-years later in 1991 without so much as a prototype ever being built, it's highly likely that the program continued on, albeit in secret. That is to say that it would not take 8-years to develop a mere sketch of the [A-12 Avenger II](#) with nothing else to show for it. Needless to say, if in-fact a secret terminator drone program was in-fact developed, it would at some point have to go underground, hence the alleged cancellation, 8-years and \$57 billion later.

**f) DEEP TRIANGULAR BOW:** The ever deepening triangular [airframe](#) of the [A-12 Avenger II](#) evidently serves as a massive chemical cell designed to be filled and refilled with large amounts of [VX](#) or [Novickok](#) nerve agents at Area 51. In other words, the thick frontal bow of the [A-12 Avenger II](#) is evidently hollow which allows the aircraft to carry thousands of gallons of chemicals aerodynamically.

**g) FLAT RUDDER-LIKE BASE:** The perfectly flat triangular tail of the [A-12 Avenger II](#) evidently serves as a chemical dispersal system which allows for large amounts of [VX](#) or [Novickok](#) nerve agents to be sprayed evenly into the atmosphere. That is to say that the elongated base-like structure of the [A-12 Avenger II](#) evidently serves as an advanced [aerial application](#) (i.e., crop dusting mechanism) which allows the aircraft to disperse its respective payload of chemical agents in a uniform manner.

**h) SILHOUETTE OF SKYNET LOGO:** The silhouette of the [A-12 Avenger II](#) is coincidentally found verbatim in the [triangular logo of the SKYNET](#) terminator program which suggests that the allegedly never-produced stealth aircraft is in-fact the chosen aircraft of the SKYNET terminator drone program.

**i) NUMEROLOGY:** The numerology inherent to the [A-12 Avenger II](#) suggests that it is in-fact the chosen aircraft for the systematic genocide of humanity. Firstly, the letter 'A' found at the start of the [A-12 Avenger II](#) name was originally derived from the [Chevron](#) symbol (i.e., 'Λ') which equates to the letter 'C' in the English alphabet. Because the number '11' found at the end of the [A-12 Avenger II](#) name doubles as the number '11' which equates to the letter 'K' in the English alphabet where it doubles as the letter 'C', the name of the [A-12 Avenger II](#) is flanked by the 'CC' or 'cc' numerology, albeit esoterically. That is because the letters 'CC' or [\(cc\) is a medical acronym for Cubic Centimetre](#) which is used to measure a given amount of medicine, or in this case poison (e.g., [VX](#) or [Novickok](#) nerve agents). This notion is corroborated by the fact that the three-sided triangular shape of the [A-12 Avenger II](#) equates to the number '3' which subsequently equates to the letter 'C' in the English alphabet. Consequently, more than one [A-12 Avenger II](#) aircraft numerologically invoke multiple C's (i.e., cc, ccc, cccc, etc.). In other words, a fleet of [A-12 Avenger II](#) aircraft are numerologically reflective of the chemical genocide which they are slated to inflict on humanity. Again, the letters 'CC' or [\(cc\) is a medical acronym for Cubic Centimetre](#) which is used to measure a given amount of medicine, or in this case poison (e.g., [VX](#) or [Novickok](#) nerve agents). Lastly, aside from the fact that the [Chevron Corporation](#) (which contains twin upside down Chevron symbols in its respective logo) is in the business of gas, the number '3' in addition to the number '12' found in the name of the [A-12 Avenger II](#) equates to the letter 'L' in the English alphabet which acronymically spells 'CL' as in 'Cull' and 'Kill'.

#### **IV. A GLOBAL HOLOCAUST**

In order to perfect the system of mass aerial poison dispersal, the CIA has been engaging in daily [geoengineering](#), otherwise known as chem-trailing as depicted in the film, '[What In the World are They Spraying](#)' (2010). Lastly, the notion that there is a heinous plot to gas the World is corroborated by the fact that the CIA staged a [Novichok Agent attack at a mall in Salisbury, England](#), back on March 4, 2018. Because the letter 'M' consists of two [Chevron](#) symbols (i.e., 'Λ') which equate the the letter 'C' in the English alphabet, the term 'Mall' equates to 'CC-All' which essentially translates to 'Poison All' '. That is because the letters 'CC' or [\(cc\) is medical acronym for Cubic Centimetre](#) which is used in to measure a given amount of medicine, or in this case poison. In order words, the plan is for all if humanity to choke to death courtesy of the [Novichok Agent](#).

#### **V. MALAYSIAN AIRLINES FLIGHT MH370 ATTACK**

Exactly what type of bio-chemical or nuclear attack [CIA Headquarters beneath Lake Geneva](#) will stage in order to activate said drones at Area 51 is obviously not known, but it may be executed via a 9/11-style attack by [Malaysian Airlines Flight MH370](#). That being said, a crash landing by the plane filled with infected passengers is also a realistic possibility. As originally depicted in the July 13, 2020, 911Truther.org report entitled, '[10 Reasons Why Malaysian Airlines Flight MH370 was Hijacked by Israel on March 8, 2014, Specifically for a Bio-Chemical or Nuclear Attack](#)'. Although Israel is evidently harboring Flight MH370, the impending 9/11-style attack will likely be scapegoated onto Afghanistan, Iran, Pakistan and/or the state-sponsored terror group known as [ISIS](#) which was specifically created by the CIA in Switzerland as political cover for biological and nuclear-related terror attacks. Due to the foiled [2011 Super Bowl Nuclear Terror Plot](#) and the foiled [2014 Super Bowl Nuclear Terror Plot](#), the Geneva-based CIA was forced to order the hijacking of [Malaysian Airlines Flight MH370](#) in order to execute a surprise WMD strike at any time or place in the world.

## **ABOUT DAVID CHASE TAYLOR**

[David Chase Taylor](#) is a [blacklisted](#) American journalist and the editor-in-chief of [911Truther.org](#), the World's #1 whistle-blower website (Taylor's original website Truther.org was hijacked by the CIA and held for ransom in 2017, hence the change in web address). Because Taylor's blog [911Truther.org](#) is the single-most popular alternative news website on the internet, it is repeatedly hacked and censored by the CIA and their countless bots. Naturally therefore, Taylor has been denied an official Wikipedia page since 2011. That being said, due to Taylor's rising popularity, the CIA was forced to give Taylor an [Everybody Wiki page](#) and Truther.org a [RationalWiki page](#) which legally-speaking constitutes as [defamation, libel and slander](#) which is defined as, 'the oral or written communication of a false statement about another that unjustly harms their reputation'. Although Taylor currently lives at an undisclosed location, he officially [applied for political asylum in Switzerland back on July 17, 2015](#), after publishing [The Nuclear Bible](#) (2011), a book which foiled a nuclear terror attack at [Super Bowl XLV](#) in Dallas, Texas on February 6, 2011. Despite preventing World War III, Taylor was inexplicably denied political asylum in Switzerland by the Bundesgericht (i.e., the [Supreme Court of Switzerland](#)) because [Switzerland harbors the one and only CIA](#) whose [secret headquarters lie beneath CERN at Lake Geneva](#) in Switzerland. Taylor has also authored [The Bio-Terror Bible](#) (2012), which exposes the impending global biological pandemic, [ObamaCSI](#) (2012), which prevented a false-flag assassination 'event' targeting Barack Hussein Obama designed to give him the 'deadly wound' as depicted in [Revelation 13:3](#), and [Greenland Theory](#) (2014), which exposes the true power structure of the World, especially in respect to Greenland and its primary proxy state of Switzerland.
